

We wanted to give you an update on restrictions and/or guidelines for this weekend's AAA Opener tournament. We are using 21 sheets of ice and 8 different venues. Listed below are update guidelines for rinks being used.

#### MASKS:

All players, coaches and referees are required to wear a mask at ALL times while inside the arena (including while playing).

All spectators are required to wear a mask while inside the rink including in the bleachers.

These are state mandates and failing to comply puts us at risk for potential shut down. Please do not argue with arena or tournament staff. If you refuse to wear a mask please stay home.

#### SPECTATORS

Two parents are allowed per player. Siblings allowed only if no other option. Siblings are expected to sit with parents and not roam around the rink unattended.

**NOTE: TCO Garden (formerly VSC 1) ONLY 2 SPECTATORS PER PLAYER, siblings only if no other option.**

**These are Ramsey County guidelines and exceptions cannot be made.**
